

Primary PE & Sport funding 2013 - 2014

At St. Bede's we are utilising the new Primary PE & Sport funding to improve the quality and breadth of our PE & Sport provision through continually developing teaching and learning in PE, encouraging our pupils to adopt health active lifestyles and to take part in a wide range of sports and physical activities including more competitive school sport.

Specifically we will:

Aim	How we will meet this aim	Outcome
Ensure our teachers have quality training specific to their age phase which develops exciting and inclusive teaching and learning in PE	Our staff will attend KS1 training, KS2 Training.	In class support training was given. We welcomed Artis... in to our school. Whisper worked alongside all members of staff to develop their skills in Dance. In class support training was also provided by our SSCO to 2 members of KS1 and 4 members of KS2 staff. All training resulted in staff feeling more confident in delivering PE lessons.
Welcome an athlete role-model to school to inspire our pupils to increase their participation in PE & School Sport	Our school council will plan a visit when we welcome Sue Smith (England & Doncaster Rovers Belles) to school.	Sue unfortunately was unable to attend. Instead we secured a visit from Fern Wheelan (from Everton) She led a whole school assembly. The girls benefited first hand from Fern's experience and enthusiasm which encouraged more participation in the afterschool club and at playtimes. From this we entered a girl's football team in to the Kelsall Gala in which we won!
Provide different ways for all children to be active in PE but also through physical activities outside of the curriculum	Using 5-a-day fitness in school. We will ensure every child has the opportunity to get involved in extra-curricular activity whether at playtimes or in after-school clubs.	5-a-day has been widely used across all key stages – either as brain break activity or to ensure that children still remain active on days when the weather prevents them from running around outside. Both KS1 and KS2 were invited to participate in arrange of activities including dodgeball, netball, basketball and gymnastics. The children stated that they enjoyed these sessions and some even went on to play for the school teams in relevant sports.
Only work with coaches who are appropriately qualified and checked	We will source coaches who have the correct level of training in the sport offered, as well as further training on safeguarding and protecting children, Emergency 1 st Aid and who are fully insured to work with our children.	Last academic year we benefited from specialist cricket , dance and judo coaches who helped to deliever sessions before, after and during school times.
Make sure our PE Subject Leader has appropriate assistance to develop our PE & School Sport offer and support our teachers effectively	Our PE & School Sport Subject Leader will attend regular training and receive focused support from Vale Royal School Sport Partnership & Youth Sport	Miss Latham attended cluster training offered by the Vale Royal School Sports Partnership.

	Trust trainers	
Review our provision to make sure the funding is spent to bring about maximise the development of PE & Sport	We will undergo an annual audit and plan our provision in line with the accepted best practices, which will include us applying for a Youth Sport Trust Quality Mark for Physical Education and the Sainsbury's School Games Kite Mark for participation in competitive school sport.	An annual audit was undertaken and the priorities were to establish a long term plan for PE provision across the school. All of the above have been completed – though training will be on going. We also achieved the Bronze level kite mark award.
Take part in a wide variety of competitive sports both within school and against other schools	By planning a range of internal competitions (level 1) which can be accessed by all groups in school, selecting pupils and teams to take part in local competitions against other schools (both within the local cluster and across the Vale Royal School Sport Partnership at Level 2) and aspiring to reach Cheshire & Warrington county finals (level 3), we aim to be fully involved in the Sainsbury's School Games and other schools' competitions	A variety of inter class competitions took place, including football and rounders. We held our own swimming gala and sports day. We also participated in sports events within our cluster – football, netball, dodgeball, sportshall athletics, quadkids, tri golf, hockey. We reached level 3 in the dodgeball and hockey competitions. During our biannual trip to Italy, children from years 5 and 6 took part in an interschools football competition against our partner school in Vittorio Veneto.
