

Primary PE & Sport funding 2014 - 2015

At St. Bede's we are utilising the new Primary PE & Sport funding to improve the quality and breadth of our PE & Sport provision through continually developing teaching and learning in PE, encouraging our pupils to adopt health active lifestyles and to take part in a wide range of sports and physical activities including more competitive school sport.

Review our provision to make sure the funding is spent to bring about maximise the development of PE & Sport	We will undergo an annual audit and plan our provision in line with the accepted best practices, which will include us applying for the Sainsbury's School Games Kite Mark for participation in competitive school sport.	Teachers were asked what they would like to see take place within school sport this year. From this, teachers received training from qualified coaches and high school specialists. Nadia Latham keeps a record of children attending extra-curricular activities and competitions. Nadia Latham and the SLT have discussed how playtimes can be developed with a view to them not being about football. From this, Steve Riddlestone from starting 14 has had a meeting with Nadia Latham and Louise Conlon. During national school sports week, Steve will be teaching years 1-6 the basics of rugby and how this can be cross-curricular. During national school sports week, the school has adopted the theme 'healthy me from head to toe'. During this week the classes will be attending competitions and learning how to be healthy – mentally, physically and spiritually. Year 5 have been identified as a class to develop into sports leaders. They will be given training during the summer term ready for Year 6. St Bede's have achieved the Bronze level kitemark award.
Take part in a wide variety of competitive sports both within school and against other schools	By planning a range of internal competitions (level 1) which can be accessed by all groups in school, selecting pupils and teams to take part in local competitions against other schools (both within the local cluster and across the Vale Royal School Sport Partnership at Level 2) and aspiring to reach Cheshire & Warrington county finals (level 3), we aim to be fully involved in the Sainsbury's School Games and other schools' competitions	St Bede's sports day will take place on 23 rd June 2015. We also participated in sports events within our cluster and sports partnership – football, netball, dodgeball, sportshall athletics, quadkids, hockey, rugby, cricket, rounders, multiskills, swimming. Whilst our Italian visitors were here in June, the children hosting families took part in an interschools football competition against our partner school from Vittorio Veneto.
