Key Assessment Criteria: Being a speaker

A year 4 speaker	A year 5 speaker	A year 6 speaker
 I ask questions to clarify or develop my understanding. 	 I can engage the listener by varying my expression and vocabulary. 	 I talk confidently and fluently in a range of situations, using formal and Standard English, if necessary.
 I can sequence, develop and communicate ideas in an organised and logical way, always using complete sentences. I show that I understand the main point and the details in a discussion. I adapt what I am saying to the needs of the listener or audience (increasingly). I show that I know that language choices vary in different contexts. I can present to an audience using appropriate intonation; controlling the tone and volume so that the meaning is clear. I can justify an answer by giving evidence. I use Standard English when it is required. 	 I adapt my spoken language depending on the audience, the purpose or the context. I can develop my ideas and opinions, providing relevant detail. I can express my point of view. I show that I understand the main points, including implied meanings in a discussion. I listen carefully in discussions. I make contributions and ask questions that are responsive to others' ideas and views. I use Standard English in formal situations. I am beginning to use hypothetical language to consider more than one possible outcome or solution. 	 I ask questions to develop ideas and take account of others' views. I explain ideas and opinions giving reasons and evidence. I take an active part in discussions and can take on different roles. I listen to, and consider the opinions of, others in discussions. I make contributions to discussions, evaluating others' ideas and respond to them. I can sustain and argue a point of view in a debate, using the formal language of persuasion.
 I cam perform poems or plays from memory, conveying ideas about characters and situations by adapting expression and tone. 	 I can perform my own compositions, using appropriate intonation and volume so that meaning is clear. I can perform poems and plays from memory, making careful choices about how I convey ideas. I adapt my expression and tone. I begin to select the appropriate register according to the context. 	 I can express possibilities using hypothetical and speculative language. I engage listeners through choosing appropriate vocabulary and register that is matched to the context. I can perform my own compositions, using appropriate intonation, volume and expression so that literal and implied meaning is clear. I can perform poems and plays from memory, making deliberate choices about how to convey ideas about characters, contexts and atmosphere.

Key Assessment Criteria: Being a reader

A year 4 reader	
Word reading	Comprehension
• I can apply knowledge of root words, prefixes and suffixes to read aloud and to understand the meaning of unfamiliar words.	I know which books to select for specific purposes, especially in relation to science, geography and history learning.
I can read further exception words, noting the unusual correspondences between spelling and sound.	I can use a dictionary to check the meaning of unfamiliar words.
I attempt pronunciation of unfamiliar words drawing on prior	I can discuss and record words and phrases that writers use to engage and impact on the reader.
knowledge of similar looking words.	I can identify some of the literary conventions in different texts.
	I can identify the (simple) themes in texts.
	I can prepare poems to read aloud and to perform, showing understanding through intonation, tone, volume and action.
	I can explain the meaning of words in context.
	• I can ask relevant questions to improve my understanding of a text.
	 I can infer meanings and begin to justify them with evidence from the text.
	• I can predict what might happen from details stated and from the information I have deduced.
	• I can identify where a writer has used precise word choices for effect to impact on the reader.
	I can identify some text type organisational features, for example, narrative, explanation and persuasion.
	I can retrieve information from non-fiction texts.
	I can build on others' ideas and opinions about a text in discussion.

Key Assessment Criteria: Being a writer

Transcription Control	omposition	Grammar and punctuation
 Spelling I can spell words with prefixes and suffixes and can add them to root words. I can recognise and spell homophones. I can use the first two or three letters of a word to check a spelling in a dictionary. I can spell the commonly mis-spelt words from the Y3/4 word list. Handwriting I can use the diagonal and horizontal strokes that are needed to join letters. I understand which letters should be left unjoined. 	 I can compose sentences using a range of sentence structures. I can orally rehearse a sentence or a sequence of sentences. I can write a narrative with a clear structure, setting and plot. I can improve my writing by changing grammar and vocabulary to improve consistency. I use a range of sentences which have more than one clause. I can use appropriate nouns and pronouns within and across sentences to support cohesion and avoid repetition. I can use direct speech in my writing and punctuate it correctly. 	 Sentence structure I can use noun phrases which are expanded by adding modifying adjectives, nouns and preposition phrases. I can use fronted adverbials. Text structure I can write in paragraphs. I make an appropriate choice of pronoun and noun within and across sentences. Punctuation I can use inverted commas and other punctuation to indicate direct speech. I can use apostrophes to mark plural possession. I use commas after fronted adverbials.

Key Assessment Criteria: Being a mathematician (full version)

A year 4 mathematician	
 Number, place value, approximation and estimation/rounding I can count in multiples of 6, 7, 9, 25 and 1,000. I can order and compare numbers beyond 1,000. I can find 1,000 more or less than a given number. I recognise the place value of each digit in a 4-digit number. I can read Roman numerals to 100 and know that over time the numeral system changed to include the concept of zero and place value. I can round any number to the nearest 10, 100 or 1,000. I can count backwards through zero to include negative numbers. I can solve number and practical problems with the above (involving increasingly large numbers). 	 Measurement I can compare different measures, including money in £ and p. I can estimate different measures, including money in £ and p. I can calculate different measures. Including money in £ and p. I can read, write and convert time between analogue and digital 12 hour clocks. I can read, write and convert time between analogue and digital 24 hour clocks. I can solve problems involving converting from hours to minutes; minutes to seconds; years to months; weeks to days.
 Calculations I can add and subtract numbers with up to 4-digits using the formal written methods of columnar addition and subtraction. I can estimate and use inverse operations to check answers in a calculation. I can solve addition and subtraction 2-step problems in contexts, deciding which operations and methods to use and why. I an recall multiplication and derived facts to multiply and divide mentally, including: multiplying by 0 and 1; dividing by 1; multiplying together three numbers. I can solve problems involving multiplying and adding, including using the distributive law to multiply 2-digit numbers by 1-digit, integer scaling problems and harder correspondence problems such as n objects are connected to m objects. 	 I can convert between different units of measurements I can measure and calculate the perimeter of a rectilinear figure in cm and m. I can find the area of rectilinear shapes by counting squares. I can calculate different measures Geometry - properties of shapes I can compare and classify geometric shapes, including quadrilateral and triangles based on their properties and sizes. I can identify lines of symmetry in 2D shapes presented in different orientations. I can complete a simple symmetric figure with respect to a specific line of symmetry,
 Fractions, decimals and percentages I an count up and down in hundredths. I recognise that hundredths arise when dividing an object by a hundred and dividing tenths by ten. I recognise and show using diagrams, families of common equivalent fractions. I can add and subtract factions within the same denominator. I recognise and write decimal equivalents to 1/4, 1/2 and ³/₄. I recognise and write decimal equivalents of any number of tenths or hundredths. I can round decimals with one decimal place to the nearest whole number. I can compare numbers with the same number of decimal places up to 2 decimal places. I can find the effect of dividing a 1-digit or 2-digit number by 10 and 100, identifying the value of the digits in the answer as ones, tenths and hundredths. I can solve problems involving increasingly harder factions and fractions to divide quantities, including non-unit fractions where the answer is a whole number. I can solve simple measure and money problems involving fractions and decimals to 2 decimals to 2 decimal places. 	 I can identify acute and obtuse angles and compare and order angles up to two right angles by size. Geometry - position and direction I can describe movements between positions as translations of a given unit to the left/right and up/down. I can describe positions on a 2D grid as coordinates in the first quadrant. I can plot specified points and draw sides to complete a given polygon. Statistics I can solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs.

Key Assessment Criteria: Being a mathematician (consolidated)

A year 4 mathematician	
Number	Measurement, geometry and statistics
 Number I can recall all multiplication facts to 12 x 12. I can round any number to the nearest 10, 100 or 1000 and decimals with one decimal place to the nearest whole number. I can count backwards through zero to include negative numbers. I can compare numbers with the same number of decimal places up to 2-decimal places. I can recognise and write decimal equivalents of any number of tenths or hundredths. I can add and subtract with up to 4-decimal places using formal written methods of columnar addition and subtraction. I can divide a 1 or 2-digit number by 10 or 100 identifying the value of the digits in the answer as units, tenths and hundredths. I can solve two step addition and subtraction problems in context. I can solve problems involving multiplication. 	 Measurement, geometry and statistics I can compare and classify geometrical shapes, including quadrilaterals and triangles, based on their properties and sizes. I know that angles are measured in degrees and can identify acute and obtuse angles. I can compare and order angles up to two right angles by size. I can measure and calculate the perimeter of a rectilinear figure in cm and m. I can read, write and convert between analogue and digital 12 and 24 hour times. I can interpret and present discrete and continuous data using appropriate graphical methods, including bar charts and time graphs.

Key Assessment Criteria: Being a scientist

A year 4 scientist

A year 4 scientist			
Working scientifically (Y3 and Y4)	Biology	Chemistry	Physics
	 Living things and their habitats I can group living things in different ways. I can use classification keys to group, identify and name living things. I can create classification keys to group, identify and name living things (for others to use). I can describe how changes to an environment could endanger living things. Animals, including humans I can identify and name the parts of the human digestive system. I can describe the functions of the organs in the human digestive system. I can describe the functions of different types of teeth in humans. I can use food chains to identify producers, predators and prey. 	 <u>States of matter</u> I can group materials based on their state of matter (solid, liquid, gas). I can describe how some materials can change state. I can explore how materials change state. I can measure the temperature at which materials change state. I can describe the water cycle. I can explain the part played by evaporation and condensation in the water cycle. 	 Sound I can describe how sound is made. I can explain how sound travels from a source to our ears. I can explain the place of vibration in hearing. I can explore the correlation between pitch and the object producing a sound. I can explore the correlation between the volume of a sound and the strength of the vibrations that produced it. I can describe what happens to a sound as it travels away from its source. Electricity I can identify and name appliances that require electricity to function. I can construct a series circuit. I can draw a circuit diagram. I can describe the function of a switch in a circuit. I can describe the function of a switch in a circuit. I can describe the difference between a conductor and insulators; giving examples of each.

A y	ear 4 historian	A year 5 historian	A year 6 historian
•	I can plot events on a timeline using centuries.	 I can draw a timeline with different historical periods showing key historical events or lives of significant 	 I can place features of historical events and people from the past societies and periods in a
•	I can use my mathematical skills to round up time differences into	people.	chronological framework.
	centuries and decades.	 I can compare two or more historical periods; explaining things which 	 I can summarise the main events from a period of history, explaining the
•	I can explain how the lives of wealthy people were different from the lives of	changed and things which stayed the same.	order of events and what happened.
	poorer people.	I can explain how Parliament affects	 I can summarise how Britain has had a major influence on the world.
•	I can explain how historic items and artefacts can be used to help build up	decision making in England.	• I can summarise how Britain may have
	a picture of life in the past.	 I can explain how our locality has changed over time. 	learnt from other countries and civilizations (historically and more
•	l can explain how an event from the past has shaped our life today.	I can test out a hypothesis in order to	recently).
•	I can research two versions of an event and explain how they differ.	answer questions.I can describe how crime and	 I can identify and explain differences, similarities and changes between different periods of history.
•	I can research what it was like for	 I can describe now clime and punishment has changed over a period of time. 	 I can identify and explain
	children in a given period of history and present my findings to an	penod of nime.	propaganda.
	audience.		 I can describe a key event from Britain's past using a range of evidence from different sources.
			 I can describe the features of historical events and way of life from periods I have studied; presenting to an audience.

Key Assessment Criteria: Being a geographer

A year 4 geographer	A year 5 geographer	A year 6 geographer
I can carry out research to discover features of villages, towns or cities.	 I can plan a journey to a place in another part of the world, taking account of distance and time. 	I can use Ordnance Survey symbols and 6 figure grid references.
 I can plan a journey to a place in Eng I can collect and accurately measurer information (e.g. rainfall, temperature wind speed, noise levels etc). I can explain why people may be attracted to live in cities. I can explain why people may choose live in one place rather than another. I can locate the Tropic of Cancer and Tropic of Capricorn. I can explain the difference between British Isles, Great Britain and the Unite Kingdom. I know the countries that make up the European Union. I can find at least six cities in the UK or map. I can name and locate some of the mislands that surround the United Kingdom of the in ethnic groups in the United Kingdom of in our school. 	 I can explain why many cities are situated on or close to rivers. I can explain why people are attracted to live by rivers. I can explain the course of a river. I can name and locate many of the world's most famous rivers in an atlas. I can explain how a location fits into its wider geographical location with reference to human and economical features. 	 I can answer questions by using a map. I can use maps, aerial photographs, plans and e-resources to describe what a locality might be like. I can describe how some places are similar and dissimilar in relation to their human and physical features. I can name the largest desert in the world and locate desert regions in an atlas. I can identify and name the Tropics of Cancer and Capricorn as well as the Arctic and Antarctic Circles. I can explain how time zones work and calculate time differences around the world.

Key Assessment Criteria: Being an artist

Ay	rear 4 artist	A year 5 artist A year 6 artist	
•	I can show facial expressions and body language in sketches and paintings.	I can identify and draw objects and use marks and lines to produce texture. I can explain why I have used differences to create art.	erent
•	I can use marks and lines to show texture in my art.	I can successfully use shading to create mood and feeling. I can explain why I have chosen s techniques to create my art.	specific
•	I can use line, tone, shape and colour to represent figure and forms in movement.	 I can organise line, tone, shape and colour to represent figures and forms in movement. I can explain the style of my work how it has been influenced by a f artist. 	
•	I can show reflections in my art.	I can use shading to create mood and feeling. I can over print to create different patterns.	t
•	I can print onto different materials using at least four colours.	 I can express emotion in my art. I can use feedback to make amendments and improvement to 	o mv
•	I can sculpt clay and other mouldable materials.	I can create an accurate print design art. following criteria.	,
		I can use a range of e-resources	to
•	I can integrate my digital images into my art.	I can use images which I have created, scanned and found; altering them where necessary to create art.	
•	I can experiment with the styles used by other artists.	I can research the work of an artist and	
•	I can explain some of the features of art from historical periods.	use their work to replicate a style.	

A year 4 designer	A year 5 designer	A year 6 designer
I can use ideas from other people when I am designing.	 I can come up with a range of ideas after collecting information from different sources. 	 I can use market research to inform my plans and ideas.
• I can produce a plan and explain it.	I can produce a detailed, step-by-step	I can follow and refine my plans.
 I can evaluate and suggest improvements for my designs. 	plan.	 I can justify my plans in a convincing way.
 I can evaluate products for both their purpose and appearance. 	I can suggest alternative plans; outlining the positive features and draw backs.	 I can show that I consider culture and society in my plans and designs.
I can explain how I have improved my original design.	I can explain how a product will appeal to a specific audience.	 I show that I can test and evaluate my products.
I can present a product in an interesting way.	I can evaluate appearance and function against original criteria.	 I can explain how products should be stored and give reasons.
I can measure accurately.	I can use a range of tools and equipment competently.	• I can work within a budget.
• I can persevere and adapt my work when my original ideas do not work.	I can make a prototype before make a final version.	• I can evaluate my product against clear criteria.
I know how to be both hygienic and safe when using food.	I show that I can be both hygienic and safe in the kitchen.	

Key Assessment Criteria: Being a musician

Ау	vear 4 musician	A year 5 musician	A year 6 musician
•	I can perform a simple part rhythmically. I can sing songs from memory with	I can breathe in the correct place when singing.	 I can sing in harmony confidently and accurately.
•	accurate pitch.	I can maintain my part whilst others are preforming their part.	I can perform parts from memory.
•	I can improvise using repeated patterns.	I can improvise within a group using	• I can take the lead in a performance.
•	I can use notation to record and interpret sequences of pitches.	melodic and rhythmic phrases.I can change sounds or organise them	 I can use a variety of different musical devices in my composition (including melody, rhythms and chords).
•	I can use notation to record compositions in a small group or on my own.	differently to change the effect.	I can evaluate how the venue, occasion
•	l can explain why silence is often needed in music and explain what effect it has.	I can compose music which meets specific criteria.	and purpose affects the way a piece of music is created.
•	I can identify the character in a piece of music.	I can use notation to record groups of pitches (chords).	 I can analyse features within different pieces of music.
•	I can identify and describe the different purposes of music.	I can use my music diary to record aspects of the composition process.	 I can compare and contrast the impact that different composers from different times have had on people of that time.
•	I can begin to identify the style of work of Beethoven, Mozart and Elgar.	I can choose the most appropriate tempo for a piece of music.	
	beenloven, mozan ana Ligar.	I can describe, compare and evaluate music using musical vocabulary.	
		I can explain why I think music is successful or unsuccessful.	
		I can suggest improvement to my own work and that of others.	
		I can contrast the work of a famous composer and explain my preferences.	

A year 4 sports person	A year 5 sports person	A year 6 sports person
 <u>Cames</u> I can catch with one hand. I can throw and catch accurately. I can hit a ball accurately with control. I can keep possession of the ball. I can vary tactics and adapt skills depending on what is happening in a game. <u>Cymnastics</u> I can work in a controlled way. I can include change of speed and direction. I can include a range of shapes. I can work with a partner to create, repeat and improve a sequence with at least three phases. <u>Dance</u> I can take the lead when working with a partner or group. I can run over a long distance. I can throw in different ways. I can pimp in different ways. I can jump in different ways. I can follow a map in a (more demanding) familiar context. I can follow a route within a time limit. 	Games I can gain possession by working a team. I can pass in different ways. I can use forehand and backhand with a racket. I can field. I can choose a tactic for defending and attacking. I can use a number of techniques to pass, dribble and shoot. Gymnastics I can combine action, balance and shape. I can perform consistently to different audiences. Dance I can perform to an accompaniment. My dance shows clarity, fluency, accuracy and consistency. Athletics I can throw with accuracy. I can combine running and jumping. Outdoor and adventurous I can use clues and a compass to navigate a route. I can use clues and a compass to navigate a route.	Games I can play to agreed rules. I can explain rules. I can umpire. I can make a team and communicate plan. I can lead others in a game situation. Gymnastics I can combine my own work with that of others. I can link sequences to specific timings. Dance I can develop sequences in a specific style. I can choose my own music and style. Athletics I can demonstrate stamina. Outdoor and adventurous I can plan a route and a series of clues for someone else. I can plan with others taking account of safety and danger.
		12

Key Assessment Criteria: Being a computer user

A year 4 computer user	A year 5 computer user	A year 6 computer user
 <u>Algorithms and programming</u> I can experiment with variables to control models. I can give an on-screen robot specific instructions that takes them from A to B. I can make an accurate prediction and explain why I believe something will happen (linked to programming). I can de-bug a program. <u>Information technology</u> I can select and use software to accomplish given goals. I can produce and upload a pod cast. <u>Digital literacy</u> I recognise acceptable and unacceptable behaviour using technology. 	 <u>Algorithms and programming</u> I can combine sequences of instructions and procedures to turn devices on and off. I can use technology to control an external device. I can design algorithms that use repetition & 2-way selection. <u>Information technology</u> I can analyse information. I can evaluate information. I understand how search results are selected and ranked. I can edit a film. <u>Digital literacy</u> I understand that you have to make choices when using technology and that not everything is true and/or safe. 	 <u>Algorithms and programming</u> I can design a solution by breaking a problem up. I recognise that different solutions can exist for the same problem. I can use logical reasoning to detect errors in algorithms. I can use selection in programs. I can explain how an algorithm works. I can explore 'what if' questions by planning different scenarios for controlled devices. I can select, use and combine software on a range of digital devices. I can use a range of technology for a specific project. <u>Digital literacy</u> I can identify how to minimise risks.

Key Assessment Criteria: Being a computer user

A safe computer user in Y3 and Y4	
 Knowledge and understanding I understand the need for rules to keep me safe when exchanging learning and ideas online. I recognise that information on the internet may not be accurate or reliable and may be used for bias, manipulation or persuasion. I understand that the internet contains fact, fiction and opinion and begin to distinguish between them. I use strategies to verify information, e.g. cross-checking. I understand the need for caution when using an internet search for images and what to do if I find an unsuitable image. I understand that copyright exists on most digital images, video 	 Skills I follow the school's safer internet rules. I recognise the difference between the work of others which has been copied (plagiarism) and re-structuring and re-presenting materials in ways which are unique and new. I can identify when emails should not be opened and when an attachment may not be safe. I can explain and demonstrate how to use email safely. I can use different search engines.
for images and what to do if I find an unsuitable image.	
 I understand the need to develop an alias for some public online use. I understand that the outcome of internet searches at home may be different than at school. 	

Key Assessment Criteria: Being an international speaker

A year 1/2 international speaker	A year 3/4 international speaker	A year 5/6 international speaker
 Spoken language I can join in with songs and rhymes. I can respond to a simple command. I can answer with a single word. I can answer with a short phrase. I can ask a question. I can name people. I can name places. I can use set phrases. I can choose the right word to complete a phrase. I can choose the right word to complete a short sentence. 	 Spoken language I can name and describe people. I can name and describe a place. I can name and describe an object. I can have a short conversation saying 3-4 things. I can give a response using a short phrase. I am starting to speak in sentences. Reading I can read and understand a short passage using familiar language. I can explain the main points in a short parage. 	 Spoken language I can hold a simple conversation with at least 4 exchanges. I can use my knowledge of grammar to speak correctly. Reading I can understand a short story or factual text and note the main points. I can use the context to work out unfamiliar words. Writing I can write a paragraph of 4-5 sentences.
 <u>Reading</u> I can read and understand single words. I can read and understand short phrases. I can use simple dictionaries to find the meaning of words. <u>Writing</u> I can write single words correctly. I can label a picture. I can copy a simple word or phrase. 	 passage. I can read a passage independently. I can use a bilingual dictionary or glossary to look up new words. Writing I can write phrases from memory. I can write 2-3 short sentences on a familiar topic. I can say what I like/dislike about a familiar topic. 	I can substitute words and phrases.
